Company Description

BNL Technical Services, LLC is a CVE-certified Service-Disabled Veteran-Owned Small Business that offers aerial imagery, contract labor, energy services and managed tasks services. Incorporated and headquartered in the State of Washington, since 1999 BNL Tech has a well-established record of successfully meeting the needs of our clients. The BNL Tech management team has extensive and proven experience working within and supporting commercial and government projects.

BNL Tech is dedicated to becoming the preferred provider for meeting all of your aerial imagery, contract labor, energy services and managed tasks service's needs. As a Service- Disabled Veteran-Owned Small Business, we seek to give our clients both the expertise they need for their projects, and the ability to fulfill Federal and State small business mandates.

We provide a variety of engineering, scientific, technical, business and management services to:

- Federal, State and Local agencies
- Government facilities and projects (DOE, DOD, military, nuclear, infrastructure, public works, national laboratories, etc.)
- Prime Contractors
- Vendors and subcontractors - Commercial and Utility firms (producers, manufacturers, supply chain firms, infrastructure, network and power plant owners/operators, A/E, design and R & D firms, etc.)

Mission and Values

BNL Tech's mission is to safely deliver high quality professional services and projects in a manner that exceeds our customer's expectations. BNL Tech's management team is committed to maintaining and developing relationships with our existing and new customers that ensures long term success for both. At the core of our relationship with our customers are a set of common shared values:

- Safety / Quality
- Discipline / Focus
- Proven Approaches / Technical Solutions
- Accountability / Integrity

These shared values drive BNL Tech's management and personnel to work openly and collaboratively with customers as integral members of their team to deliver critical projects and tasks for customers for excellent value.

Professional and Technical Services

BNL Technical Services, LLC initially began as a project-oriented professional services firm supporting nuclear customers (Government Agencies and Prime Contractors, Commercial Utilities, Shipyards and Universities) worldwide. BNLTech continues to provide our clients with high quality professionals for their most critical and challenging projects.

BNL Tech provides the full spectrum of contract engineering and technical services. Our programs are customized to the needs of the client. They include contract placement, contract to permanent placement, or permanent placement based on the client's needs for the following professionals:

PROJECT SUPPORT SERVICES

- Managed Task Performance
- Engineering Services
- Design and Drafting
- Contracted Labor
- Project Management
- Monitoring and Surveillance

ABATEMENT, REMEDIATION & RESTORATION

- Assessment
- Abatement
- Remediation
- Restoration

GEOSPATIAL SOLUTIONS

- Scanning and Surveying
- Aerial Imagery
- State and Local Government
- Emergency Response
- Energy Infrastructure
- Site Documentation and Monitoring

ENERGY SERVICES

- Energy Efficiency
- Photovoltaics
- Electric Vehicle Infrastructure
- LED Lighting
- Backup Power and Storage
- Energy Auditing

- INSURANCE COVERAGE MEETS FEDERAL SERVICE CONTRACTING REQUIREMENTS

BNL Technical Services, LLC – Statement of Qualifications

BioClient	Contract Number(s) and Type	Project	Work Description	Period of Performance
Sealaska Technical Services 1200 6th Ave., Suite 800 Seattle, WA 98101	DE-NA0003366	DICCE2	Support Tech2 Solutions as a subcontractor in the Nuclear Smuggling Detection and Deterrence (NSDD) Program’s Design, Integration, Construction, Communications and Engineering 2 (DICCE2) project. Provide as-needed Civil, Electrical, and Mechanical Engineering, Designbuild, Power Quality Assessments, Construction Management, and Project Management support.	11/2016 - Ongoing
Knutzen Engineering 5453 Ridgeline Dr., Suite 120 Kennewick, WA 99338	WO #16-KEI	Electrical and Design	Electrical Engineering and Design support for any requested projects such as for the Kennewick School and Finley School Districts.	7/2016 - Ongoing
Parkway Properties, LLC 4245 Balmoral Dr., Suite 201 Huntsville, AL 35801	WO #16-045	Electrical and Design	Electrical Engineering and Design support as requested including site assessments, replacement and diagnoses of tracker motors.	05/2016 - Ongoing
Design West 7513 W. Kennewick Ave., Ste D Kennewick, WA 99336	WO #16-DWA	Electrical and Design	Electrical Engineering and Design support. Projects include WSU TC Housing Electrical Infrastructure and Site Lighting, Pasco School District study and surveys, Columbia School District condition assessments of mechanical, electrical and plumbing systems and other related services.	10/2015 - Ongoing
Richland School District Facilities & Operations 701 Stevens Dr. Richland, WA 99352	PO PG161886 PG 171698 WO #17-RSD	Electrical and Design	Electrical Engineering and Design support to include drawings for electrical services, assessments, reports, Kiln replacements, installation of monitor receptacles and other related support.	10/2015 - Ongoing
Department of Veterans Affairs Network Contracting Office 20 1495 Wilmington Dr., Ste. 360 DuPont, WA 98327	IDIQ 36C26018D0031	Temporary Dental Services	Dental Hygienists provide direct patient care under the general supervision of a dentist and perform other clinical and clerical functions independently of direct supervision. Dental Assistant services include, but are not limited to, performing chair side assistance in all phases of restorative, prosthodontic, surgical, endodontic and periodontal treatment according to standard, usual and acceptable or customary methods and techniques.	2/2018 - 1/2023
US DOE Washington River Protection Solutions, LLC P.O. Box 1500, MSIN: R2-54 Richland, WA 99352	BMA 65642	Hanford River Protection Project, including Tank Farms	Blanket Master Agreement (BMA) subcontract with WRPS to provide technically qualified personnel on an as needed basis in support of various projects and functional activities for customers commissioning, operating, maintaining, transitioning and closing nuclear facility sites and other regulated high hazard risk facilities.	2/2018 - 9/2022
US DOE Washington River Protection Solutions, LLC P.O. Box 1500, MSIN: R2-54 Richland, WA 99352	BMA 65029	Hanford River Protection Project, including Tank Farms	Temporary Clerical, Secretary, and Administrative Assistant Support Services BMA for any requested Clerk, Secretarial, and Administrative Assistant support. All personnel require DOE security clearances to obtain badges for site access.	1/2018 - 9/2019 Option years through 9/2021
Bechtel National Inc. (BNI) 100 Union Valley Road Oak Ridge, TN 37830	Contract 122728	Temporary Staffing Agreement	Provide Temporary Contract Staffing Services to BNI to include qualified candidates for any requested temporary services.	10/2018 – 12/2019
US DOE Washington River Protection Solutions, LLC Robin Steen P.O. Box 850	BMA 65928	Geotech Engineering, Surveying, Dome Load, Laser Scanning, Ground	Subsurface Investigation Scans, Land Surveys and Dome Load Survey Support for managed tasks requested including ground penetrating radar scans, electromagnetic scans, land surveys, dome load surveys, geotechnical studies, and laser scanning. All	3/2018 - 9/2019

BNL Technical Services, LLC – Statement of Qualifications

BioClient	Contract Number(s) and Type	Project	Work Description	Period of Performance
Richland, WA 99352		Penetrating Radar Support Services	personnel require DOE security clearance to obtain badge for site access.	
US DOE Washington River Protection Solutions, LLC P.O. Box 850 Richland, WA 99352	BMA 65733	Scientific Technician	The Scientific Tech positions within the Organic Studies Group are responsible for providing non-routine analytical support for non-routine analytical methods, field support, support for the development of new technology, and associated functions (such as waste management, inventories, etc.). This position focuses on support of Vapor Program activities including development and operations within the Vapor Analysis Areas of the 222-S Laboratory.	3/2018 - 9/2019 Option years through 9/2020
USDOE Mission Support Alliance, LLC P.O. Box 650 Richland, WA 99352 Mail Stop H7-10	BMA 61363	Records and Imaging Clerks	Records and imaging clerk support. Duties include efficient and accurate control and data management of engineering, administrative and vendor documents, provide weekly reports, metrics and status tracking, perform verification of document metadata, images and uploaded files and other related tasks.	9/2016 - 9/2019
CH2M Hill Plateau Remediation Company P.O. Box 1000, MSIN: H7-10 Richland, WA 99352	Subcontract 57425	Temp Rad Con Techs	Temporary Industrial Hygiene Technicians (IHT) and Health Physics Technicians (HPT), Radiological Control Technicians, (RCT's), Contracted Labor.	6/2015 - 9/2019
US DOE CH2M Hill Plateau Remediation Company P.O. Box 1000, MSIN: H7-10 Richland, WA 99352	BOA 56562	Hanford Site	Basic Order Agreement (BOA) for general staff augmentation services for any requested engineering, technical, administrative and professional disciplines such as Engineers, Fire Marshalls, Field Work Supervisors, Project Managers, Designer Specialist, Estimators, and Technical Writers/Editors, Operations Specialist, Project Controls Specialist, Safety Specialist, Planners/Schedulers, and Managers.	3/2015 - 9/2019
Department of Veterans Affairs VAMC Martinsburg Office 510 Butler Avenue, Bldg. 308B Martinsburg, WV 25405	IDIQ Task Order VA245-14-D-0101	VISN 5 Facilities	Provide Asbestos, Mold, and Lead Abatement Services at VAMC's in various VISN 5 Facility areas	10/2014 - 9/2019
USDOE Mission Support Alliance, LLC P.O. Box 650 Richland, WA 99352 Mail Stop H7-10	BOA 46841	Hanford Site	Basic Order Agreement (BOA) for general staff augmentation services for any requested engineering, technical, administrative and professional discipline such as Work Package Planners, Work Control Managers Procurement Specialists, Tech Writers, Editors and Communications Specialists, Cost/Value Engineers/Estimators; Government Accounting Specialists, Project Controls Specialists, Administrative and Clerical Support, Certified Industrial Hygienists (CIH), Certified Health Physicists (CHP), Geologists/Hydrologists and Environmental Engineers (Soil and Groundwater Remediation); Geology Technicians, Mechanical, Civil, Structural Engineers; Electrical Engineers, Environmental Engineers/Scientists, Fire Protection Engineers (FPE), Project Managers/Technical Leads, Operations Specialists, Field Work Supervisors, NDA-Measurements Scientists, Waste Management Experts, Sampling Scientists, Radiation Protection/Health Physics	10/2011 - 9/2019

BNL Technical Services, LLC – Statement of Qualifications

BioClient	Contract Number(s) and Type	Project	Work Description	Period of Performance
			Technicians (RPT/HPT), Supervisors and Radiological Engineers support.	
USDOE Mission Support Alliance, LLC P.O. Box 650 Richland, WA 99352 Mail Stop H7-10	BMA 61254	LOTO Trainer	Provide Lockout/Tagout instructor support to evaluate workers on the necessary skills to properly control the unexpected release of hazardous energy or materials. A variety of teaching methodologies are utilized to meet the requirements of DOE.	9/2016 - 12/2018
US DOE Washington River Protection Solutions, LLC Robin Steen P.O. Box 1500, MSIN: R2-54 Richland, WA 99352	BMA 59412	IHT/HPT Support	Industrial Hygiene Technicians (IHTs) and Health Physics Technicians (HPTs) to support WRPS in day-to-day support of ongoing projects, operations, maintenance, and construction within the Tank Farms	3/2016 - 9/2018
US DOE CH2M Hill Plateau Remediation Company P.O. Box 1000, MSIN: H7-10 Richland, WA 99352	BOA 53361	Project Controls and Cost Estimating Support	Project Controls and Cost Estimating personnel support. Duties include scope, schedule and budget development, maintenance and monitoring activities which measure performance against the plan, and corrective action tracking and closure, as required. Additional duties include schedule developments including logic and resource loading, periodic analysis and reports on performance, all in accordance with CHPRC and customer requirements. Provide labor reports, trends, and forecasts utilizing company established systems and procedures, generate and track purchase requests and accurate accrual accounting for subcontract costs. Interface frequently with assigned Control Account Manager (when assigned) and maintain documentation of work authorization documents. Provide for control of funds and control of baseline change documentation.	3/2014 - 9/2018
US DOE CH2M Hill Plateau Remediation Company P.O. Box 1000, MSIN: H7-10 Richland, WA 99352	BMA 52060	Onsite Engineering Support	General Onsite Engineering Services BMA for any requested levels and/or disciplines of Engineers, Drafters, Designers, Safety/USQ Analysts, Specialists and/or analysis disciplines. All personnel require DOE security clearance to obtain badge for site access.	10/2013 - 9/2018
US DOE CH2M Hill Plateau Remediation Company P.O. Box 1000, MSIN: H7-10 Richland, WA 99352	BMA 52398	Safety, Health, Security and Quality Professional Support Services	Managed tasks and general staff augmentation services and professional support for Safety, Health, Security, and Quality support services including Chemical Engineers, Nuclear Engineers, Quality Assurance/Control Engineers, Safety Engineers, other Engineers, First Line Supervisors, General Managers and Executives, Project and Program Managers, Health Physicists, Industrial Hygienists, Safeguards and other Security Specialists, and other professionals. All personnel require DOE security clearance to obtain badge for site access.	10/2013 - 9/2018
Battelle PNNL 902 Battelle Boulevard PO BOX 999	360495	Biological Program Safety Support	Support in performing management and implementation support for the Worker Safety and Health Program Biological Safety Functional Area. Work scope is primarily in the areas of Molecular Biology (recombinant DNA), Microbiology, and Immunology, by maintaining compliance with all Federal and agency biosafety standards including Centers for Disease Control and Prevention/Animal	6/2017 - 6/2018
